ABOUT US

KBS Schools is a group of unique study pattern based schools and seeks to provide the most effective education to every student who enters its door in search of learning. KBS Academy believes in developing a caring Community, exercising concern and respect for the welfare of others and emphasizing the over-Riding importance of good human relations, based upon sensitivity, tolerance and good-will. School conceives teaching as an extremely creative and complex process, one that requires Imagination, continuous thinking, care and commitment and the school's pedagogy, teaching Methodology, curriculum, organizational structure, teacher-student relationship, policies and Rules are all designed to actualize its vision of schooling and education.

We encourage children to appreciate the virtues of collaboration, to foster habits of responsibility and self-discipline and to promote initiative, endeavor and the exercise of individual Judgement. We project the school as the servant of the community and to accept it's appropriate share of responsibility for equipping each child to final his/her own niche in his/her occupation and in society.

DIRECTOR'S MESSAGE

KBS School is an exciting and amazing place to be. It is a school where pupils are taught to think by teachers who inspire them. KBS's renowned academic pre-eminence is a result of pupils learning the skills of intellectual enquiry, debate and applying them well beyond the syllabus. We are a close knit community of students, parents and teachers working towards one goal—Education. The student life at KBS Academy involves the basic Principles of life blended well with values and education through our safe environment. Those parents who choose our School for their children will have an astonishing range of opportunities beyond the classroom, for example music, drama, debate and sport.

Pupils are keen to look outward as well and to play their part in the life of the local community. The nurturing of each individual's talents to the highest degree means that there is no such thing as a typical KBS student. At KBS we nurture the individual in a manner that they are ready to face the innings of life. What they have in common is that they emerge from KBS as articulate, confident, with a strong sense of social responsibility, ready for university and the wider world. We restrict ourselves to a bounded community of students and ensure the screening of those coming to KBS so as to create a beautiful, secure and friendly environment within the boundaries of KBS School. I hope, you will, get a helpful and informative impression of KBS School from this Prospectus.

Dr Pravin Gupta - Director

PRINCIPAL MESSAGE

Seema Gupta Principal

Our children represent our hope and dreams. Education is not just a process of imparting knowledge for high profiled job but a life long process which imbibe an understanding of moral and ethical values to guide and make our students morally upright citizens of the country.

Education today is a dynamic process research into the teaching aspect which has thrown many innovative methods of teaching. There is a much deeper insight into the way a child learn. Hence it is imperative that the teachers are thoroughly updated in the latest method and judicious use. We make sure that our faculty is aware and trained in the modern pedagogy of teaching and it is our endeavor to achieve the perfect teaching & learning environment so as to facilitates the student and teachers under our care to deliver in a meaning full manner.

OUR CREDO

INTERNATIONAL VISION

Our goal is to create future global citizens with broad based knowledge of the world we live in and capabilities for success in an international environment.

INDIAN HERITAGE

The rich Indian tradition and cultural values are instilled in the student thought various activities and moral teaching.

INDIVIDUAL DEVELOPMENT

The focus is holistic development of each child through a variety of co-curricular and extracurricular activities in additional to the academic program and for recognition of individual differences.

WHAT SETS US APART

The Entire gamut of activities in KBS reflects its objective of nurturing young children and making them responsible adults who can make a positive contribution to the world.

Well designed & comprehensive curriculum:

The School believes in developing such curriculum that enables the students to maximize their knowledge and skills we believe in providing a broad and balanced curriculum that values past experiences and then builds upon them. The students receive a well grounded education and are exposed to the actual institutional processes too.

Trained Teachers :

Our teachers are our strength so we take the initiative to train our teachers to implement multiple intelligence, hands on experience, interactive and updated methods of teaching. Teachers act as creative facilitators with dedication and hardwork.

Digital Class :

We also have multimedia driven teaching digital class which is a complete class room solution with interactive white boards, syllabus content and multimedia based content.

SCHOOL ACTIVITIES

SCHOOL ACTIVITIES

Major School Activities — The School firmly believes that textual studies are a part of the full development of a child and therefore provides a spectrum of in house activities through its program of “Panchmukhi Shiksha.” The main thrust of activities at the school are visualized to promote the development of a balanced and harmonious personality of the students including physical, practical, aesthetic, moral and intellectual aspects.

MORNING ASSEMBLY

In the morning assembly every day students speak, thought for the day as well as the important news of the day and impart some information about educational facts and recent discoveries by rotation.

SPECIAL ACTIVITY CLASSES

We cater to the specific hobby related needs by conducting hobby classes in the evening so that every child is able to participate in the field of choice to their/his heart content. He can develop her ability through a variety of activities such as Horse Riding, Martial Art, Dance, Judo Karate, Instrumental Playing and Singing.

STUDENT’S COUNCIL

If we are to live in democratic community we must permit our students to have the experience of governing some of their own affairs. Hence, there is duly constituted organization of students called children’s council. With some office bearers-Principal, vice Principal, and all co-ordinators look after discipline , cultural activities and so on.

EXHIBITIONS

To provide a platform to bring forward the creativity and talent of the children rather to explore the hidden talents of the students, theme based exhibitions are put up by the students regularly in own premises of the school. The exhibition is always a resounding success.

FESTIVALS AND FAIRS

As far as festivals are concerned students celebrate all the national festivals like Gandhi Jayanti, Independence Day,, Republic Day, Teacher’s Day, Guru Nanak Jayanti and so on with great enthusiasm. Raksha Bandhan is celebrated by having on the spot Rakhi making competition. Janmastami is celebrated with tableau presentation on the birth and life history of lord Krishna. Even Hindi Diwas is observed by students with the recitation of poems of great poets and display of charts with the life history and complete works of great poets known as Balkavi Sammelan and few one act plays of famous personnel’s are also staged.

HOUSE SYSTEM

The house system is an effective instrument for the personality development of the students. The school has established 4 houses among which the entire student population is distributed. The houses have house staff, captains and believes in delegating responsibilities among members to develop a sense of responsibility and a spirit of healthy competition and an atmosphere of friendly maturity. Intellectual Activities are meaningfully organized with the range of competitions like speech, recitation, story telling, handwriting, mehndi spreading, math’s quiz, science quiz and so on. The competitions being nobel and Selective which strengthens the curricular program

FIVE FOLD EDUCATION (PANCHMUKHI SHIKSHA)

“ KBS School aims at the synthesis of spiritual value of the East and scientific spirit of the West. The main thrust of all the activities of the KBS School is the development of a complete personality. The institution firmly believes that the personality consists of interdependent components, each being equally important requiring equal attention and can only be developed through a wholesome education. The 'Panchmukhi Shiksha' which has evolved from experimentation. It attempts a balance among the five necessary aspects of education: Physical, Practical, Aesthetic, Moral and Intellectual. ”

1. Physical - Under physical education programme, various activities like parade, riding, flying, girl guiding, swimming, yoga and various modern and traditional sports like kabbadi, kho-kho, hockey, basket ball, badminton, long jump, high jump etc are included.

2. Aesthetic - Students learn music and painting up to class 12'. They can choose either music (vocal or instrumental) or painting. Dance education is being provided to the students of all levels.

3. Practical - Under practical education Sanganeri printing & Dying, Boutique, Bandhej, Tailoring, Embroidery, Craft, Paper Mache etc. are included under domestic education.

4. Moral - The aim of moral education is to develop personality of the students, so as to cultivate in them the feeling of respect for all religions. It is achieved by the means of weekly Prayers, Talks, Veda, Geeta & Ramayana Path etc. The common Saturday prayer and Udbodhan program is unique.

5. Intellectual - Intellectual education is being given to the students in order to avoid the relative aspects of modern education. Natural and social science with languages and Maths are being taught with science. Education methods are adopted with the help of projects related to social and natural environment. KBS School never believes in examination-based education system. It gives emphasis on practical education.

DAY BOARDING- AN INSIGHT

This approach provides children with a 360 degree educational experience. Day boarding has been created so that a child looks upon school as a second home. Like a home away from home, all requisites are provided to children so that they grow into responsible and healthy individuals.

FEATURES

- Equal importance is given to academics and co-curricular pursuits.
- A special hour is devoted daily to activities that are of interest to students.
- These activities include art, music, martial arts, sports, yoga, dramatics, dance, skating and other such activities.
- Day boarding is applicable to students from HKG Grade onwards.
- Special trainers will conduct these activities to ensure participation and successful learning.
- In case of any emergency a trained full-time nurse will be on hand.
- This approach ensures that children set an all round development.

In our Day Boarding system the school timing is from 7:30 a.m. to 5:00 p.m and the additional hours are optimally utilized for development of hobbies, systematic sports coaching and extra academic help (e.g. homework).
